SFC Johnnie M. Blalock
ARMY RECRUITER

Leave it to the psychological warfare people in Vietnam to come up with a new form of "advertising." Working with a Japanese firm, they have developed a process of printing up to eight different messages and pictures on a single bar of soap. As the soap is highly desired item at refugee camps and is also used as part of the civil action program in Vietnam, who knows, it might even replace television commercials some day.

WANT TO LEARN A LANGUAGE?
If you are interested in joining the Army and becoming a linguist, drop in and see us right away. The Army is prepared to offer training in one of 30 different languages to qualified men and women and will guarantee this training in writing. Instruction is usually given at either the Defense Language Institute in Washington, D. C., or at the "Presidio of Monterey." As you know, language training will always come in handy, whether or not you stay in the service.

DENTAL CARE FOR VETERANS
Just a reminder to our friends who might have recently returned home from service. Veterans who need dental care for conditions that developed during their active military service should apply to the Veterans Administration within the first year after their release from military service. The one-year limitation does not apply to treatment of service-connected dental disabilities that are severe enough to warrant compensation. You can obtain further information from the local office of the Veterans Administration.

QUESTION OF THE WEEK
This week's question should clear up confusion in the minds of many women. We are often asked if a nurse could be married when she joins the service. The answer is yes. Nurses can be married at the time they enter service or may marry while in service. However, they cannot be appointed or retained if they have any dependents under the age of 18.

FACTS ABOUT THE ARMY
Did you know?
--That the first election in which soldiers had the

training during the past year?
--That the Army Nurse Corps celebrates its 68th anniversary on February 2, 1969?
SALUTE TO GUIDANCE COUNSELORS
Just want to pay tribute to the guidance counselors at the various schools in our area for the tremendous job they are doing to put our students on the path to success. If you haven't visited your guidance counselor, do so today. He, or she, can certainly play an important role in helping you in the years to come. We'd like to salute the guidance counselors of Pike, Crenshaw, Covington and Coffee Counties.

NEW RECRUITS
Among the men who joined the Army this week were Clarence E. Burrows, Robert G. Cawley, Abraham McEae, Michael W. Wise, and George C. Worley. They enlisted for construction machine operator, airborne, regular Army unassigned, Army Security Agency and administration respectively.

CARD OF THANKS
We wish to express our heartfelt thanks to all our friends and relatives for the many acts of kindness shown us during the recent death of our loved one, May God bless each and everyone of you. The Family of Mrs. Pearl Pridgion 5/15/ltc.

Widows Of Vets Catfish Supper Set At Zion Chapel May Receive Compensation
The widow of a veteran who died of a service-connected condition may receive dependency and indemnity compensation regardless of her income, the Veterans Administration reminded.

Several people have questioned the announcement in this newspaper last week that the City would begin collecting the sewage fee next month.
This fee was imposed last year when plans were in the mill for the addition of the sewage system and the addition of the sediment ponds to get the raw sewage out of Pea River. Federal and State pollution officials had instructed Elba that proper action would be taken if the city was not stopped. The amount was set by the federal government as a condition for issuing the loan and grant for the project. The sewage fee is \$2.50 per month and applies to everyone using city sewage both new and old parts of the system. Those who are not presently on the system will not be required to pay until they are connected and using city sewage.

Judo Camp Set For Youngsters
It was announced in Birmingham that the second annual Y.W.C.O. Judo Camp will be held again this year at Camp Grandview, Millbrook, Alabama. The camp will be under the direction of Mrs. Betty West, the South only female blackbelt. The camp will have an associate director, Mr. and Mrs. Budd Burse and will have at least two other blackbelts from the South. It will be for girls and boys of ages 8 through 17 and be held August 25-26, 27. The camp will teach basic Judo, including history and will also have workshops for advanced students. For further information, contact Mr. or Mrs. Budd Burse at 454-0118 or write Mrs. Sue Ashley, Y.W.C.O. Montgomery, Alabama. The Y.W.C.O. is a non-profit organization and the cost of the camp is nominal.

PHYSICALLY FIT YOUNGSTERS at Zion Chapel. These youngsters have all scored rather high on the test administered by physical education teacher, Mrs. Pat Powell, under the President's Physical Fitness Program. The youngsters has to do pull ups, sit-ups, shuttle run, standing broad jump, 50 yard dash, softball throw and 600 yard run-walk.
In the upper picture are Jeff Kelley, Eddie Brown, Kathy Maddox, and Keith Fuller. These four youngsters all scored 85% or better in the tests.
In the lower picture are Front row: Ronnie Allen, Dorothy Ziglar, Wade Jacobs, Sharon Jacobs, Ricky Faulk; second row, Mickey Wambles, Rex Jackson, Rex Marler, Lynn Lambert, Queenie Glattin, Mary Deal and Deeken Vann Matthews.

All these students are members of the 4th, 5th and 6th grades at Zion Chapel School.

Price Support Announced For Peanuts

A minimum national average price support of \$247.50 a ton for 1969 crop peanuts has been announced by the U. S. Department of Agriculture, Chairman Roy L. Ellis of the Agricultural Stabilization and Conservation County Committee said. This is an increase from the 1968 level of \$240.50 a ton.

"This reflects 75 percent of the estimated parity price as of August 1, and will not be decreased for the 1969 crop," The Chairman said. "However, the level may be increased if a combination of the parity price and the supply price of peanuts for the 1969 crop results in higher legal minimum support price."

The Chairman pointed out that the Agricultural Act of 1949 provides for peanut price support at a level between 75 and 90 percent of parity, depending on the percentage which the total supply of peanuts is of the normal supply as the marketing year begins.

"In order to be eligible for price support payments, it will be necessary for producers to plant within their 1969 peanut acreage allotments," the Chairman emphasized.

The Elba City Council met Monday night after a lapse of two weeks. All members of the council were present.

The council postponed making an appointment to the Recreation Board at the rezoning of a piece of property on highway 84 West near Williams Texaco. The property is now zoned as residential property and Harry Bullard was requesting that it be rezoned M-1, which is light commercial.

The council discussed the problem of wholesale furniture trucks not paying city license. Several suggestions have been presented to the group concerning this problem but no action was taken. It will be presented at the next week for consideration, after conferring with local street owners.

A motion was made to transfer \$10,000 from the special sales tax account to pay for the new garbage truck purchased 1st month. This passed by a 3-2 vote.

The council voted 4-1 to refuse to pick up any garbage that was not in approved containers (either 30 gallon cans or the new big Garwood cans that the truck can lift and empty.) Also not to pick up boxes from stores if they were not in "knocked down" condition. This would be effective June 1st.

The mayor was asked to check with FCC authorities about the legality of placing the local fire truck radios back on the police network. This would help the firemen locally and when they are called to neighboring towns to help fight fires.

The council voted to name the street between the Elba High School and the Elementary School, Dixon Avenue, in honor of former school administrator, James C. Dixon.

Mayor Brunson was asked to check into the possibility of using regular city employees as Building Inspectors.

GOLDEN NEEDLE AWARD . . . The employees of the Kinston Manufacturing Co. were presented with the Golden Needle Award by representatives of Governor Albert Brewer in ceremonies at the plant on Monday of this week. The award is presented in recognition of the tremendous impact of the garment industry on the economy of Alabama.
Pictured above are plant manager, Tony Almedia, Inez Hussey who accepted the award; Representative Drexel Cook, who presented the award; Mrs. Fred B. Lee, office staff and Senator Ray Lolley.
It was reported that 50,000 people are employed in the garment industry in Alabama. Most are in small towns and this helps the small town and helps keep down the influx of people into the big city. Alabama is presently rated in the top five states in the nation in relation to the production of the garments.
The award was presented by Senator Ray Lolley and Representative Drexel Cook. Cook said, "Garment workers in Alabama have the reputation of giving an honest days work for an honest days pay."

The employees in turn presented Lolley and Cook a nice gift to deliver to Governor Brewer.

AT CITY HALL
U Of A To Hold 138th Graduation

The one hundred and thirty-eighth annual "graduation exercises" at the University of Alabama will be held at 5:30 p.m. in the Memorial Coliseum on Sunday, June 1.
Conferring of degrees and the commencement address at that time mark the finale of three days of activities, May 30-31, June 1.
Announcement came today, May 15, that Dr. Frank A. Rose, who is resigning the presidency of the U. of A., effective September 5 to become Chairman of the Board of General Computing Corporation, will make the commencement address this year.

The Right Reverend George Mosley Murray, Episcopal Bishop of Alabama, is to deliver the baccalaureate sermon on Sunday at 11 a.m. in the Coliseum.
"Workers under age 65 who become disabled should not delay in filing a claim for disability insurance benefits which may be payable to them under social security," says Harry N. Scott, District Social Security Manager.

Inman Boys Both Named President

Joel and David Inman, sons of Mr. and Mrs. L. F. Inman have been elected president of their respective college fraternities.

Joel has been elected to serve as president of the Pi Kappa Alpha Fraternity at Samford University, Birmingham. He is a junior majoring in physical education.

David, who has been and is serving as president of the Kappa Tau fraternity at Enterprise Junior College, is a freshman majoring in business and intends to pursue a course in mortuary science upon graduation from Enterprise.

Both boys were outstanding football players for Elba High School. Joel continued his football career at Samford University where he lettered for two years as a tackle. Due to an arm injury last year he was forced to discontinue playing. He is presently employed the part time as Asst. Youth Director at the Shades Valley YMCA in Birmingham.

David, who attends Enterprise Junior College is employed by Hayes Funeral Home as night attendant.

THESE BOYS we elect and send to Montgomery to represent us and look after our welfare as to government business have "feelings" just like the rest of us. In other words they are sorta human after all. I guess we get to thinking of them as being a tool that is being used by someone who is against "the people."

In a short visit with Drexel Cook last week, who is a member of the House of Representatives from Coffee County, I got a hang about a statement he made. Someone asked him how he was getting along and he

said something like this, "Well, I tell you, when I get home for dinner if I don't ready I'm going to raise particular hell, and if it is ready I'm going to be mad and not eat it — that is how I feel." Well, that is feeling pretty bad in my book.

I had never heard the expression and it was particular funny to me. So if any of you want to know how I feel right now just mark it down I feel just like Drexel Cook.

Now if I can be as popular as Drexel Cook that will be real good. He is popular with the people of Coffee County and he is popular with the administration. He has a won-

derful personality and he has the know how as to getting things done in state government. You may not always agree with what he is supporting but I can assure you he will come pretty apt getting it done whatever it may be.

I HAD AN article all ready for my column about Alabama's Governor Albert Brewer but Sunday's Montgomery Advertiser beat me to it. In an editorial they had Sunday they said the same thing but of course written better than my way of saying it. Albert Brewer is making Alabama an excellent governor. He is not reaching for something outside Alabama and is apparently real happy with the duties taking care of Alabama's business. Certainly Alabama needs a governor who looks after Alabama affairs. Never has it been so desperately as now following the years Alabama has suffered from neglect. The thing that is real bad about it is that he has had to take care of affairs that is not so popular because it was not done as it should have been sooner. His job has not been an easy one. He still does not have an easy job but we can honestly say that he is making every effort to take care of these problems as fast as he can — problems that

Local Sorority Meets With Mrs. Stivers

Xi Alpha Eta Chapter of Beta Sigma Phi was held on May 13, 1969 at the home of Mrs. Art Stivers, Mrs. George Singer, president, officiated as the Exemplar Degree was conferred upon Mrs. Donald Lusk and Mrs. George Perez, Mrs. James Keller also affiliated with the chapter at that time.

The cultural program for the evening was entitled "Creative Thinking" and was excellently presented by Mrs. Kermit Crook. Beta Sigma Phi is an international sorority with interest on the cultural and social aspects of women. It was founded on April 30, 1932 in Abilene, Kansas. The International Headquarters is located at Kansas City, Mo., and has a membership of more than 180,000 women from all walks of life over the world.

Xi Alpha Eta held its annual election and the following members will serve on the executive board for the 1969-70 term: President, Mrs. James Keller; Vice President, Mrs. Donnie Stephens; Recording Secretary, Mrs. Art Stivers; Corresponding Secretary, Mrs. Donald Lusk; Treasurer, Mrs. Charles Thompson; City Council Representative, Mrs. George Perez; City Council Alternate, Mrs. Art Stivers.

The next regular meeting will be held on May 27, 1969 with Mrs. Ed Grimsley of Enterprise as hostess.

he is not responsible for the first place but must attempt to correct.

Certainly Albert Brewer should have a term of his own as governor of Alabama. At this time I am making no pledge as to who I will or will not support as governor — there are so many things that could happen between now and next Spring that could change the picture. But I could not be against Albert Brewer for his performance in office. He has done an excellent job under a very difficult situation.

The business session and call to order were conducted by Mrs. Hayward Taylor, president.

Mrs. Frank Rainer, Sr. was elected as a new member of the club.

Installation services for the new officers were conducted by Mrs. F. H. Murphree, after which refreshments were served.

Those attending other than those mentioned above were: Mrs. C. O. Alfred, Mrs. W. C. Braswell, Mrs. W. P. Windham, and visiting guest, Mrs. Bob Fox Brunson, Miss Mabel Folsom.

The club adjourned to meet again the first Wednesday, C. Fleming, Miss Mabel Folsom, in September.

HOW TO PUT DROPS IN YOUR EYES

Of course the easiest way is to have someone else put the drops in your eyes for you. It is not difficult to do it yourself. First tilt your head as far back as possible, or lie flat on your back.

Then, look up at the ceiling. Close one eye and center the dropper over the other and squeeze the drops into the eye. Finally, close your eye and gently massage for a few strokes. Do not touch the dropper to your eye. This may contaminate the remaining drops.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

BRAINSTORMS

With Ferrin Cox

Last week I should have written a few words of respect for the three men that are by now in orbit around the moon. While there are many people who think we never should have started the space program and many others of us who do not understand the overall objectives of the program, we at least owe these brave men respect for their courage. We could also offer a prayer for their well being — if we are not ashamed to admit that we pray.

At long last, the Elba General Hospital Board has received approval to start on the fifteen room addition to the hospital. This has been three years in the planning and is surely needed by the sick people of this area. The bad thing about this however is that the fifteen rooms were needed in 1967. Fifteen or twenty more are needed now due to the increase in the area population and medicare which lets some people go to the hospital who would not be able to afford it otherwise.

This is a good time to pass on a little praise to our local hospital. In a recent issue of Medical World, published for doctors, an author reported on a study of the problems of some of the best known and respected hospitals in America, (New York, Boston, New Orleans, and in California, to name a few). It seems that they have long suffered from no money, incompetent help and too much political meddling. None of these apply to Elba General as the hospital pays its own upkeep without the taxpayers having to pay salaries; the employees apparently know their jobs and don't mind doing them; and the local hospital is operated by an appointed hospital board which frees it of any threat of political hiring or firing. True the taxpayers build the building but in many of these other places they must also pay part of the operation cost and the treatment is still not as good as you can get in Elba.

Death Claims

Mrs. Carter On Sunday

Mrs. Ella Mae Carter, 79, died Sunday afternoon at a local hospital. Funeral services will be held at 2 p.m. Tuesday from Beaver Dam Church in Elba with Elder Cecil Huett officiating. Burial was in Red Oak Baptist Church Cemetery between Andalusia and Florida. Hayes Funeral Home was in charge.

Survivors include one son, A. L. Carter, Jacksonville, Fla.; one daughter, Mrs. Mertie Smith, Elba; one brother, Edgar Cook, Plant City, Fla.; one sister, Mrs. Mertie Cockwaft, Andalusia.

HOW MUCH DID A COLOR TV COST 25 YEARS AGO?

Since it didn't exist 25 years ago there is no real way to estimate the cost. The same reasoning applies to the cost of today's prescriptions. Most of today's drugs didn't even exist 25 years ago so they could not be bought at any price. When you consider the lives that have been saved, the rapid cure that have resulted from modern medicines, it's no wonder we say:

TODAY'S PRESCRIPTIONS ARE THE BIGGEST BARGAIN IN HISTORY

A GOOD JOB

Billy's getting bigger, and Susie's catching up. And Mom—like any proud mother—is delighted. Their physical progress is one indication that she's doing a good job.

But is she being just as careful about other, equally vital parts of that job? Is she also measuring their spiritual progress? As it happens, she is. Billy and Susie are both already going to church and church school.

If you have been thinking that your own children are too young to begin their religious education, why not give them the chance to measure up spiritually, as well as physically? They're apt to surprise you!

ENTERPRISE RELEASES SUMMER PLANS

Most beginning courses and a few second-year courses will be offered at Enterprise State Junior College during the summer quarter opening June 16, President B. A. Forrester said. Forrester said evening classes would be discontinued for the summer. However, high school honor students taking college courses for deferred credit are expected to swell enrollment in daytime classes.

The high school honors program, Forrester explained, is designed for the student who has completed the sophomore or junior year of high school with outstanding grades. To qualify, the applicant must be approved by the principal of his high school and the superintendent of his school district. He may enroll for beginning college courses along with freshmen. Credits he earns in the summer remain "provisional" until he has completed high school and been enrolled as a full-time student at the junior college for one quarter.

By participating in the honors program for two summers, Forrester said, a good student can earn as many as 20 hours toward a degree.

Deadline for application for the honors program or regular enrollment is June 5. Summer registration begins June 12.

Forrester said 10 of the 35 full-time instructors would remain on duty this summer, along with the year-round administrative staff.

ASC Approves
Transfer Of Cotton
Allotments

Cotton growers in Coffee County have approved the transfer of 1970 Upland Cotton Allotments out of the county, Roy L. Ellis, Chairman, Agriculture Stabilization and Conservation Commission, reported.

Voting on the question took place in a mail referendum during the period May 5 through May 9th. The results of this referendum are: No, in favor of transfer -- 665, No, against transfer -- 39.

Total number of votes cast -- 704. A two-thirds affirmative vote was required to make the provision effective.

This means that the transfer of 1970 upland cotton allotments in Coffee County by sale or lease -- may be made from one farm to another outside the county but within the state.

Allotments may be transferred into this county by sale or lease from other counties in the state where growers have voted to permit such transfers.

The Chairman explained that the transfer of allotments for the 1970 upland cotton crop will need to be filed with the ASC County Committee not later than a deadline to be announced later.
